# THE PLANNING PROCESS

## YOUR INSPIRATION

Color/ Theme/ Style

We plan with you from the beginning. If you have an inspiration board, wedding website, color swatches, inspirational photos and palettes, we use our expertise to execute your vision

### EMAIL PLANNING:

The initial consultation as well as ongoing communication can take place through email. We respect how busy you are. Please provide details about your wedding via email. How many bridesmaids will you have, groomsmen, mothers, grandmothers, fathers, flower girls? How many guests are you inviting? We'll go over your information initially, so that you can save time.

### PHONE CONSULTATION:

If you prefer we can discuss your inspiration over the phone. A pre-booked consultation can be arranged so that you receive the attention you deserve. Planning a wedding is time consuming, we make the process stress free and time productive.

### IN-PERSON CONSULTATION:

After the initial email/ or phone consultation is complete, if you would like to meet with us at our floral studio, we'd love to meet you to discuss the details further. If you are long distance, an in person consultation is not necessary but welcomed if you would like. Please note that weekend consultations are difficult as we are usually working events on the weekend.
